

Plum Creek Senior Assisted Living Community is designed for seniors who wish to maintain their independent lifestyle, but may need some additional assistance to do so. With completion of construction in early 2009, our state-of-the-art community offers a caring, supportive and comfortable environment with a home-like setting.

MISSION STATEMENT

Each resident at the Plum Creek Senior Assisted Living Community will receive dignified, compassionate assistance which is meant not only to help their quality of life, but to enrich it.

Our goal at Plum Creek Senior Assisted Living Community is to meet each resident's individual needs while maintaining the highest level of independence, choice, dignity, privacy, and respect - all in a homelike atmosphere. These are the hallmarks of Plum Creek, which are upheld by each and every member of our staff, in order to give each resident the finest in senior assisted living care.
