**Overview:**

We are seeking a compassionate and dedicated 1st and 2nd Shift Licensed Practical Nurse (LPN) to join our Assisted Living healthcare team. The LPN will play a crucial role in providing quality patient care, assisting with medical procedures, and supporting the nursing staff in delivering comprehensive healthcare services. This position requires strong clinical skills, excellent communication abilities, and a commitment to working with individuals with diverse needs.

**Duties:**

Administer medications as prescribed and monitor patients for side effects or adverse reactions.

Provide direct patient care, including assisting with daily living activities and ensuring comfort.

Conduct patient assessments to gather vital information regarding health status and needs.

Collaborate with healthcare professionals to develop and implement discharge planning for patients.

Utilize medical terminology effectively in documentation and communication with the healthcare team.

Support patients with disabilities by providing tailored care that meets their unique requirements.

Maintain accurate patient records using Cerner or similar electronic health record systems.

Educate patients on health management, including inhalation techniques and primary care practices.

**Requirements:**

Valid Licensed Practical Nurse (LPN) license in the state of practice.

Proficiency in medication administration and understanding of medical terminology.

Experience in patient assessment and providing quality patient care.

Ability to work collaboratively within a multidisciplinary team environment.

Strong interpersonal skills to effectively communicate with patients and their families.

Previous experience working with individuals with disabilities is preferred but not mandatory.

Commitment to ongoing professional development and adherence to best practices in nursing care.

Join us in making a difference in the lives of our patients while advancing your nursing career in a supportive environment.
